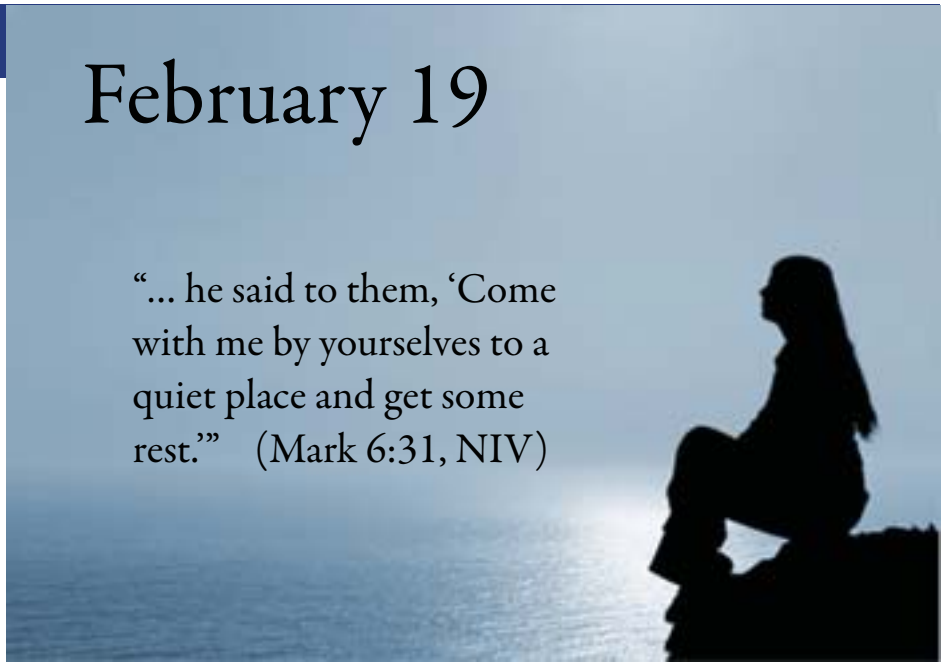
February 19



Dear Heavenly Father,
There are many responsibilities I face in a day, and so much that needs to be done. I am pulled in many directions. When the days are so hectic, and so much seems to be coming at me, I ask that you would help me to find a quiet place to go with you and get some rest. Lord, I pray that you would bring me to a place of peaceful solitude and refreshment where I can enjoy your new wind of strength blowing over me. I thank you that you have not called me to work until I am depleted, but that you will give me all the resources and strength I need to accomplish those things which you have called me to. Help me to learn deeper ways of finding rest and vigor in you.
In Jesus' Name,
Amen
